RUSHIKESH GANPAT DHOLE

MECHANICAL DESIGN ENGINEER

Location: Satara, Maharashtra, India | Email: rushikesh.dhole2902@gmail.com | Phone: +91 7887922902 / 9158185710
LinkedIn: https://www.linkedin.com/in/rushikesh-dhole-72b643223

PROFESSIONAL SUMMARY

CAD-focused Mechanical Engineer specializing in 3D modeling, engineering drawings, fabrication detailing, sheet-metal development, and mechanical equipment design with hands-on industrial and R&D design experience.

WORK EXPERIENCE

Assistant Design Engineer - Nikhtish Filtration & Protection Pvt. Ltd., Satara

March 2024 - Present | Kesurdi Tal, Khandala, Satara

- Preparing customer service general arrangement (GA) drawings for client approval.
- Creating 3D models, assembly drawings, and cutting drawings for fabrication.
- Calculating development sizes of bending parts to ensure manufacturing accuracy.
- Creating sheet layouts using Smart 2D Optimizer and Auto Nest to maximize material utilization.
- Generating item codes and managing Bills of Materials (BOM) within the ERP system.
- Designed a HEPA Filter Test Rig Machine for evaluating filter efficiency, leakage, and pressure drop.
- Designed an R&D Stage Air Balancing Damper for CBRN HVAC protective applications.
- Designed an R&D Stage Spring Overloaded Overpressure Controller for wall-mounted Navy ship applications.

Graduate Trainee Engineer - DCD Tool Design - Bajaj Maharashtra Scooter Ltd., Satara

August 2022 - March 2024 | Satara, Maharashtra

- Designed precision EDM electrodes according to customer requirements and tooling standards.
- Prepared component detailing and comprehensive Bill of Materials (BOM).
- Conducted model inspection study, shot model study, and casting/machine model studies.
- Performed 3D designing and 2D drafting for tooling and machine setups.

TECHNICAL SKILLS

CAD & Design:	Siemens NX / NX CAD, SolidWorks, Solid Edge, AutoCAD, 3D Modeling, 2D Drafting, Assembly Drawings
Engineering:	GD&T, Orthographic Projection, Isometric Drawing, Dimensioning, Sheet-Metal Development, BOM
Manufacturing:	CNC, EDM, Wire-Cut Machines, Casting/Machine Models, Auto Nest, Smart 2D Optimizer, ERP
Soft Skills:	Technical Writing, Critical Thinking, Collaboration, Problem Solving, Learning New Technologies

PROJECTS

1. **HEPA Filter Test Rig Machine:** Designed test rig for evaluating filter efficiency, leakage, and differential pressure.
2. **R&D Stage Air Balancing Damper - CBRN:** Designed damper for CBRN air control in HVAC systems.
3. **R&D Overpressure Controller:** Spring-overloaded wall-mounted controller for Navy ship applications.
4. **Moving Belt Conveyor:** Final-year sponsored design and development of moving belt conveyor system.

EDUCATION

B.Tech in Mechanical Engineering (2022) - Dr. Babasaheb Ambedkar Technological University, Lonere
Diploma in Mechanical Engineering (2019) - Maharashtra State Board of Technical Education, Mumbai
Higher Secondary Certificate - HSC (2016) - Kolhapur, Maharashtra
Secondary School Certificate - SSC (2014) - Kolhapur, Maharashtra

CERTIFICATIONS & TRAINING

- Siemens NX Training - DigitalCADD Solutions
- SolidWorks Premium Training - DigitalCADD Solutions
- CCC Certificate (Course on Computer Concepts) - Disha Computer Institute
